

ACCESSORIES

Retrofit quick release coupling, gaslighter and soldering sockets

Retrofit quick release coupling

The couplings have to be installed between handle and hose - in this case, tensile stress must be avoided

Order no.	External thread Inlet (Hose)	Internal thread outlet (Handle)	Design	Material
1090 0245	3/8" LH i.	3/8" LH a.	Straight line	Brass
1090 0246	3/8" LH i.	3/8" LH a.	60°	Brass

Gas lighter and igniter

Order no.	Designation	Material	Lifespan Igniter	Verpackungseinheit
1090 5000	Gas lighter	Steel nicklized	appx. 2.000	1
1090 5001	Igniter	---	---	5

Soldering socket

Order no.	Soldering connection	Output side with		Material
		Outside diameter	Inside diameter	
1030 1024	Spigot 10 mm	M20x1	M7x0,75	Brass
1030 1025	Borehole 12 mm	M20x1	Borehole 9 mm	Brass
